Come join the Viper Club of America, Northern California Region and the River City Corvette Club on a scenic run to Downeyville, California. We will meet at 9:00 Am at Carl's Jr on Northgate Blvd. in Sacramento. We will depart at 9:30 AM and take Hwy 80 to Auburn. There, we will cut through Auburn to Hwy 49. This time of year, the fields are green, the air is fresh, and the the roads are made for Vipers and Corvettes. Plan on a catered lunch from Ludy's of Woodland. Ludy's has won numerous awards for their barbecue. After lunch, explore historic Downeyville. This is a old mining town, filled with historic buildings, antiques, shopping and a lot of Vipers and Corvettes.
